# LEXINGTON DISTILLING

LEXINGTON KY

Lexington Brewing & Distilling Co. is the producer of award-winning beer and spirits and one of the few joint brewing and distilling operations in the world. Since its founding in 1999 by Irish entrepreneur Pearse Lyons, founder of Alltech. In 2012, the company became part of the world-renowned Kentucky Bourbon Trail® experience with the opening of its Town Branch Distillery, which crafts Town Branch® Bourbon, Town Branch® Rye, Town Branch® Malt, Pearse Lyons Reserve® malt whiskey and Bluegrass Sundown® bourbon-infused coffee liqueur.

## TOWN BRANCH BOURBON

750mL | 90 PROOF

Aged in new, charred white oak barrels, Town Branch is infused with a golden amber honey color, which is an inviting introduction to this masterfully crafted bourbon. Pleasant woody and oaky aromas lead into caramel, toffee, brown sugar, and hints of cherry. The lavish and complex flavors are smooth and sweet with a gentle warming leading to a long finish.

## TOWN BRANCH MALT WHISKEY

750mL | 87 PROOF

Bottled at 87 proof and non-chill filtered, this Kentucky single malt whiskey delivers an exceptionally balanced whiskey with a medium body. A smooth finish with long-lingering flavors of spice and dried fruit are brought to the surface with a drop or two of branch water.

## TOWN BRANCH RYE RYE WHISKEY

750mL | 100 PROOF

Aged for 18 months in white oak barrels, 123 Organic Tequila Añejo (Tres) emerges with a prominent woody character and deep golden hue. It initially sends heady notes of tannin and wood oil to the nose, yet the aromas mellow in the glass, giving way to rich caramel and chocolate elements.

## TRUE CASK WHISKEY

750mL | 108.1 PROOF

True Cask Bourbon embodies attention to detail at every level of production from distillation, mash bill, yeast, fermentation, and cooperage, to the final small batch blend of uncut straight from the barrel whiskey. Individually batch numbered to capture the purity of flavors each cask strength barrel provides to each blend.

## BLUEGRASS SUNDOWN LIQUEUR

750mL | 40 PROOF

Reminiscent of famed Irish coffee, but with a decidedly Kentucky spin, Bluegrass Sundown® is a dark-roasted coffee infused with Kentucky bourbon and sugar.

LAS VEGAS NV

Smoke Wagon? Does that mean it's smokey? Smoke Wagon is actually old west slang for the 1873 Colt single action army revolver or "the gun that won the west". Our logo stamped in wax consists of two crossed Smoke Wagons over the state of Nevada. Below it is our motto and a quote from Seneca, bibamus moriendum est. The literal translation is "drink, for we must die" but the meaning is more along the lines of, drink and enjoy today because we won't be around forever. We can only assume Seneca meant to drink responsibly, of course

## SMOKE WAGON STRAIGHT BOURBON WHISKEY

750mL | 92.5 PROOF

Creamy mouthfeel with initial rich sweet notes of honey and caramel on the tip of the tongue followed by nuts, oak and pepper spice that starts on the sides of your tongue. The nuttiness and oak fade as pepper spice from the rye takes over the entirety of your pallet. Finishes with a creamy sweetness that coats followed by once again by oak and a pepper spice that lingers.

## SMOKE WAGON UNCUT UNFILTERED BOURBON WHISKEY

750mL | 115-116 PROOF

We took the same vintage blending philosophy that we used to create Small Batch, except this time the goal was to create high proof bourbon that tasted its best neat. Uncut is so rich and sweet with an unbelievably thick mouth feel, the heat and rye spice finish are a welcome addition. It's like milk with cookies!

## SMOKE WAGON UNCUT THE YOUNG BOURBON WHISKEY

1 LITER | 57.25% PROOF

The journey to create Uncut the Younger began around October 2020. I tried a Straight Bourbon blend before proofing it down and I was really impressed with the flavor profile. It was fruit forward with tons of delicate candy flavors and big cinnamon spice on the finish. My original thought was to create a younger version of Uncut Unfiltered, and release it as a Rare and Limited batch. In December 2020, when the first Rare and Limiteds were announced, I quickly realized that a R&L would never retail for less than regular Uncut, so the idea was put on a back burner.

## SMOKE WAGON SMALL BATCH BOURBON WHISKEY

750mL | 100 PROOF

Initial sweet notes on the front of the tongue. Well balanced mouth feel with spicy notes including white pepper on the middle and back of the tongue from the younger vintage and high rye mash bill. Good balance of sweet and oak flavors including hints of caramel (from the #4 charred barrels, caramelized wood sugar), fruit flavor and rye spice. Finishes smooth with no alcohol burn even at 100 proof.

## SILVER DOLLAR VODKA VODKA

750mL | 80 PROOF

Copper Pot Distilled in Las Vegas from only the purest ingredients then silver filtered for an incredibly smooth taste. 100% corn mash bill makes this vodka gluten free.

Tasting notes: smooth creamy mouth feel with a water like taste. Just a hint of copper and corn sweetness, finishing smooth with no burn.

BARDSTOWN KY

We are the **SLOW BOURBON DISTILLERY**. At Preservation we pot-distill in the smallest 1-3 barrel batches, Preservation Distillery and Farm is a hidden treasure in Bardstown, Kentucky, the official ‘Bourbon Capital of the World’. Something our family dreamed for over half a century, we are the first and only 100% pot-distilled producer in Nelson County, Kentucky’s Napa Valley for Bourbon. Are you Bourbon Hunting for Pot Distilled, Cask Strength, Single Barrel, Small Batch, Old Bourbon, Rare Whiskey, or Barrel Picks? You’ve found the right place.

**VERY OLD ST NICK SUMMER RYE CASK**  
RYE WHISKEY

**750mL | 90 PROOF**

Utilizing superior barrels of American rye whiskey from our Bardstown warehouse’s vintage cask collection, each barrel in Very Olde St Nick Summer Rye is at least five (5) summers old, with whiskey that is uncut, unfiltered, and bottled at cask strength, 117-119°. These barrels were selected before the heat of the summer could get an even larger angel’s share. From that came the name “Summer Rye”, originating from the Japanese word “Samurai”, an elite force of military nobility known for being masterful strategists. After winning a Double Gold Medal at the 2020 San Francisco World Spirits Competition, adjectives like “elite”, “noble”, and “masterful” seem even more fitting for this intensely flavorful pour.

**VERY OLD ST NICK ANCIENT CASK 8 YEAR**  
RYE WHISKEY

**750mL | 94.7 PROOF**

Eight years old and barrel aged, Very Olde St Nick 8 Year Rye whiskey is bottled at 82.8° to 86.8° for optimum enjoyment and complex flavor enhancement. This noteworthy whiskey was originally sourced in Canada from a producer known for high quality North American rye. With sweet notes of caramel and butterscotch, mingled with a robust and oily mouthfeel, you’ll be able to savor an expression that’s surely to be enjoyed by both the seasoned whiskey enthusiast as well as the newest aficionado.

## RARE PERFECTION 14 YEAR

WHISKEY

The palate opens with a syrupy mouth feel and a strong combination of caramel, bitter oak, and a very big hit of vanilla, these notes develop into toasted marshmallow before a touch of earthy grain, citrus peel, and faint syrupy sesame emerges. As you continue to chew the vanilla note returns, bringing with it that whisper of bitterness from the oak and grain.

KOSHER RYE WHISKEY

750mL | 104 PROOF

A true corn-free Mid-Atlantic Rye. Starting with distiller Wilhelm Hendriksen in 1640 on the Kill Van Kull which connects Newark's & New York's bays, until 1972 when the last rye distillery closed in Maryland and 1989 when the last rye distillery closed in Pennsylvania, Mid-Atlantic Rye was America's true small grain whiskey. Later when the Mid-Atlantic Rye brands were reintroduced by Kentucky distilleries the Kentucky distillers used their bourbon know-how to create the high corn Kentucky Style Rye we know today. Reviving tradition, All Points West Distillery recreates and distills an authentic, small grain, corn-free, Mid-Atlantic Rye. Following the recommendations of Irving Hirsch, who in the 1930's out of his office on Frelinghuysen Ave in Newark NJ reinvented post-Prohibition distillation, our rye is distilled from: Rye, Barley, and a mix of malted grains. Made at All Points West Distillery from grain to bottle.

## BUCKSPICE GINGER BITTERS

5oz | 44% ABV

By using a combination of dried gingers and alcohol, we've been able to create a shelf-stable ginger bitter that can bring that bite to warming winter cocktails – especially those made with rum and bourbon – yet also work beautifully in classic bucks and mules. In fact, 10 drops in a Moscow Mule turns it into something special.

## ELEMAKULE TIKI BITTERS

5oz | 44% ABV

Cinnamon and allspice with strong island spice flavor. The bitters were inspired by one of the new garde of Tiki legends: Brian Miller, who wanted a falernum, a cordial filled with the spices of the West Indies. We decided to see if it was possible to create a bitter designed with tiki cocktails in mind. Taking into account both the Eastern and Western schools of tropical cocktails.

## HOPPED GRAPEFRUIT BITTERS

5oz | 53% ABV

The essence of grapefruit combined with the most noble of hops; great with stirred cocktails made with tequila and long drinks made with gin. The grapefruit quality of high alpha-acid hops combines with grapefruit peel to help create a concoction with layers of citrus bitterness. Try it in a daiquiri, gimlet, or even a gin and tonic (with a splash of maraschino).

## SCARBOROUGH BITTERS

5oz | 44% ABV

The Scarborough Bitters were born out of our love of savory drinks, especially drinks with vermouth. What we figured out years ago is that when you take all of the bells and whistles out of dry vermouth, the core flavors are pretty darned close to Herbes de Provence.

## ORCHARD ST . CELERY BITTERS

An homage to the migrant experience and the tenement museum on Orchard Street, this celery shrub – celery infused into an apple cider vinegar brine – is a natural complement to gin, aquavit and blanco tequila and does wonders in a Martini or Bloody Mary.
